

# **SMT. KAMLABEN P. PATEL INSTITUTE OF PHYSIOTHERAPY & OCCUPATIONAL THERAPY**

## **ANNUAL REPORT-2021**

We have successfully arranged a campus interview in collaboration with Setu Child Development Center, Mastishk Child Development Center, Sadbhavna Charitable Trust, Health & Care Foundation and Sparsh Pediatric Rehabilitation clinic from Ahmedabad and Osmosis Center from Bharuch & Baroda, where in we have great success ratio of 100% job placement for interns.

We have extended our **clinical attachment** and M.O.U in various hospitals and rehabilitation centers for better clinical exposure of O.T students; recently we have done M.O.U with Mastishk Child Development and Education Center, Ahmedabad, Maitry Sastha Nadiad, SETU child development center, Ahmedabad.

100% results were achieved in F.Y, S.Y., T.Y. as well as in final year of. B.O.Th.

Dhruv Patel, Yesha Patel, Shlesha Desai, Mauli Patel of FY. SY. TY and final year respectively stood uni. First. In Bachelors of Occupational Therapy program and M/s Anu Yadav stood first in Maters in Occupational Therapy Program.

As a part of co curricular activity, we had celebrated “**World Mental Health Day**” by arranging a **Guest Lecture**, “**World AIDS Day**” by arranging **Rangoli Competition**, “**International Girl Child Day**” “**World Cerebral Palsy Day**” “**Gandhi Jayanti**” by arranging Elocution Competition, online webinar by Dr. Dhiren Ganjwale, poster making respectively.

We secured well deserved positions in the REELS MAKING COMPETITION conducted by APMS, on “**Reels for win**” on 14/08/2021

We organised our first ever ALUMNI MEET of Occupational Therapy on 23/11/2021.

**Many activities were done by women’s cell** such as Poster Competition on the topic of “I love my India”, Handicraft Workshop, Essay Competition, Elocution Competition, Photography, Slogan Competition, and Logo Competition & Mehandi Competition.

B.O.Th students visited at Civil Hospital, Community oncology Center and Mental Hospital at Ahmedabad as a part of study visit.

### **Talking about the clinical aspect**

**We** have extended our service to diverse patient groups in terms of age and their illness who do come from different parts of **Anand, Kheda, Nadiad** and other places.

In This Year, We could serve **More Than 3000 Patients** who were suffering from various physical and mental disabilities among which nearly 400 patients were given treatment free of cost due to their poor economic background.

As a regular **O.T Awareness Programmes**, we have shared our knowledge with more than **3000 students of 40 different schools of Gujarat State**.
